Re: Camp Pennbrook # 2346

Dear Mr. Shulman:

On October 24, 2006, The Board of Directors of the New York Section of the American Camp Association met to determine the Standards classification of each camp in our Section. Based on your scores calculated by the National Office, the board has voted to classify Camp Pennbrook as ACA Accredited.

Your percent scores are as follows:

SITE & FOOD SERVICE	100	PROGRAM DESIGN AND ACTIVITIES	100
TRANSPORTATION	100	PROGRAM AQUATICS	100
HEALTH & WELLNESS	100	HORSE	100
OPERATIONAL MANAGEMENT	100		
HUMAN RESOURCES	100		

Congratulations on having an ACA Accredited camp! You can be very proud of your accomplishment and have earned the right to display the ACA-Accredited Camp logo at camp and on literature and Web sites for this camp. ACA Accredited Camp logos and policies for their use can be found on ACA's Web site at [www.ACAcamps.org/logos](http://www.ACAcamps.org/logos).

The scores from your camp visit are to be kept confidential to you, the National Office and the Section Standards Committee. They are not for public use, due to danger of misinterpretation, as most camps score very high in visits.

On behalf of the New York Section of the American Camp Association, I would like to thank you for your dedication and cooperation and invite you to help us improve our Standards program. We welcome your input and involvement.

Yours truly,

  
Anthony Stein  
ACA-NY President
